Tucked away on 20 secluded acres is a one-of-a-kind wellness retreat where you can escape, relax, refresh and connect with nature. Once owned by Chicago artist Irene Siegel, this stunning property has been reimagined into a luxurious contemporary 2bed /1den 2.5ba home, with a cozy 3bed 1bath guest cottage. Enjoy yoga on the spacious deck overlooking the private pond or take a paddleboard onto the water. Afterward, relax in the infrared sauna before a cold plunge into the water! The main house pays homage to the original log cabin, while bringing modern design to life with hardwood floors, custom kitchen and baths, a water filtration system, cedar decking, a blue stone entry and so much more. The guest cottage features two decorative rosettes painted by Ms. Seigel on its facade and offers a kitchenette, living area and wood burning fireplace. Created by a group of Ukrainians with a vision, this stunning property is a rare gem just an hour from downtown Chicago, a world away from it all!
