The ocean view from this 7 bedroom home is absolutely spectacular. Nothing like walking to the top level and being blown away with the glorious ocean and it's hypnotizing beauty. The amenities at Sand Castle include; wide beach, gas fireplace, sauna, exterior elevator, 2 sitting areas, a game room with wet bar and full size refrigerator, hot tub, and a stable dune (every one loves a highly vegetated dune for extra protection). No private pool? No problem! You're only steps away from one of the largest pools on the outer banks. The Village of Nags Head's Oceanfront pool is 5,000 square feet with 15,000 square feet of decking. The Beach Club has a restaurant, lounge, tennis and bath house.
