Perched at the crest of the Minnesota River Bluff in Bellerive, this stone and brick Artisan Home perfectly captures the understated elegance of historic European cottages. With absolute attention to detail and craftsmanship the builder and designer blend the warmth and comfort old world character with a modern, open layout, perfectly crafted for the vast southerly vistas afforded by this site. Consistent finishes through the entire home include subtle arch details, perfectly balanced millwork, flush mount custom cabinetry, granite tops, Sub-Zero/ Wolf/ Bosch, Black Walnut floors, flagstone flooring and various stone fireplaces. Main floor master suite, stunning office and elevator bring long term flexibility. Cathedral vaulted great room, Sunroom, flagstone patio and deck sit in perfect harmony with the setting. Walkout level offers 3 bedrooms, 2 baths and entertainment spaces, inside and out. NOTE: upper bonus room with a balcony; Heated floors: lower level, master bath, garage.
