**\*\*Spectacular villa in Sosua for sale\*\* \*\*REDUCED FROM 1.230.000 TO 995.000 TO SELL FAST\*\*** This is a dream villa with ultra high end finishing. With an architecturally outstanding design using only the very best of materials and with an exceptional finish right down to the last detail in this very large unique villa in the center of town just opposite a very nice beach with cristal clear water. The setting is serene and is like a little piece of paradise right in the center of town The house flows seamlessly between the internal and external areas. A residence that creates flowing living areas moving from interior area opening onto exterior patios with all ammenities you will need. Luxurious living areas, a kitchen made for a gournet chef and a lot of space for entertaining both inside and outside all made in the most exclusive materials. Eerywhere you look you canâ€™t help but notice different hand crafted wood, stone and tiles that accent this beautiful property. The villa contains five bedrooms all with ensuite bathrooms, from the balcony in the master bedroom you have beautiful views of the ocean. The master bedroom is extremely large and has a sitting area along with a walk in closet. Top design goes hand in hand with exquisite high quality fittings and includes onyx sinks in the master bathroom just to mention one of the superb qualities you will find in this house. In the back you will find a fantastic swimming pool, a custom built barbeque area, a bar and a very nice dining area directly accesed from the house. The is the perfect area to entertain your guests or just laze around and relax. In the front you have parking for 2 cars and electric gate entrance a nice terrace with two separate entrances. If you are looking for a luxurious property in the Dominican Republic then this is a must see. For more information or to book a private viewing of the spectacular villa please complete the request form.
