Tucked away at the end of a winding drive, this transitional home is a perfect blend of striking architecture, idyllic views, and effortless livability. Mature pines create a canopy year-round while manicured perennials and fruit trees bloom all summer. The grand marble entry, open floorplan, and loads of built-in storage make for the perfect entertaining space, while the 2-story hand-hewn fieldstone fireplace provides both warmth and beauty. Natural light floods the massive kitchen with ample counter and cabinet space and high-end appliances. Bright breakfast room provides access to magnificent Azek deck and overlooks the extensive landscaping. Private family room with leaded glass doors is a spacious office, or add a bath to create a guest suite with private patio. Upstairs, the tranquil master suite is an ideal place to watch the snow fall or enjoy a cool summer breeze. This oasis includes a WIC and full bath with spa tub and separate shower. Two more bedrooms and a secluded art studio/library/home gym share a second full bath and private balcony on the upper level. Bring your ideas to finish the full LL for more living space! Minutes to west side shopping and dining, quick to downtown AA and UM, and easy access to I-94!
