Grandeur, serenity, seclusion; the feelings that come to mind as one heads through the private gates on the hand-laid brick road of Chateau Du Lac, the sprawling 40-lush acre estate nestled along Lake Shastina in the hills of Mount Shasta. Upon entering the gates, you are immediately met with the magnificence of this French Country-inspired mansion boasting ~15,000 square feet, as well as five private guest chalets and three additional houses - totaling ~20,200 Sq Ft, 17 bedrooms and 17 bathrooms. No expense was spared in cultivating every detail. Spend summers on the lake with your own private dock/launch ramp in the comfort of your own backyard or take a dip in your private, a nearly 1-acre pond with a theme park-grade waterslide, rope swings, water trampoline, dive decks and more! Winters can be spent skiing Mount Shasta or cozying up in the rustic two-story living room in front of the hearthstone fireplace. Open a bottle of wine from your subterranean wine cellar and enjoy the picturesque sunset views of Mount Shasta. This is a self-sustaining property with three private wells, an on-site gas station for toys and maintenance equipment, including tractors, well diggers, lifts etc. The property is ideal for a horse/equine ranch, a winery, an event venue, a corporate/vacation retreat or a luxury bed and breakfast. Within hours of the Bay Area, San Francisco, Sacramento and Reno/Tahoe. Proximity to golfing, hiking, skiing, mountain biking, boating, rock climbing and hunting.
