Old Florida Charm lovingly updated! The moment you enter this special home, the stress starts to melt away and you completely relax. Soaring Dade County Pine ceilings painted white add to the spacious feel of the open concept living area with amazing views of Florida Bay. This five bedroom, four bathroom home is situated in an estate-like setting on a third of an acre with plenty of room to add a pool and more. Catch fabulous sunsets from the pier as you watch dolphin and manatees cruise by. Relax on your own private beach, or slip your kayaks and paddleboards right into the bay. Everything about this home is designed to create comfort and peace. On the ground floor are the main bedroom, two guest bedrooms and three full baths, along with the living room, kitchen and dining area.
