Belfair, one of the finest Historic Estates in South Carolina. This 17+ acre equestrian peninsula is sheltered by dozens of live-oak trees and bordered by the original old-tabby sea wall with 2400ft of deepwater frontage along the Colleton River. The centerpiece of the estate is a Georgian style home displaying a two story verandah sheltered behind solid limestone columns, preserved from the original manor. The soaring onyx-floored circular foyer is wrapped with a hand carved solid walnut grand staircase and a hand painted local antique mapped ceiling, featuring this estate. Be sure to check out the Youtube video on this magnificent estate.
