Buyer backed out. Got cold feet! Your own slice of heaven! Twelve acres on Whaletail lake with 450' of shore including the peace and serenity of woods and your own private pond. Who knew only 5 minutes from Mound, the stress of today's everyday life can melt away. Built in 2016 this special home features all the "state of the art" fit and finishes while recalling the modern day farm house, down to the charming front porch and fabulous screened porch. A separate heated shop comes in handy for all those lake toys, at home projects, or just plain puttering. It seems the builder thought of everything. That said, there is plenty of room for your imagination. Whaletail lake is a wonderful fishing lake and full recreational lake. 4th BR in Lower Level is non-conforming.
