New Construction home in Golden Eagle. This new community offers luxury living in one of nature's most breathtaking locations. This single level living floor plan comes with a gourmet kitchen, spacious great room with a warming gas fireplace, and a semi-formal dining area. The Master Suite has a sitting area, fireplace and access to a large back patio to enjoy quiet time after a long day of work or play. Three additional bedrooms with walk-in closets and private bathrooms are just a few of the special features this home offers. The mountain development will have a community gathering space with kitchen, bathrooms, indoor and outdoor spaces plus a fire pit to relax around and share the days events with family and friends. Come this Winter to experience the greatest snow on Earth in our 6,900-foot elevation mountain town.
