Designed by famed architect Frederick Soper, this signature Spanish Revival is one of the most legendary homes of the Twin Cities. Perched on a sprawling corner lot overlooking Lake Of The Isles, multi-tiered terraces wrap the home and offer sweeping lakeside views. Inside, a gallery of signature rooms--including a large owner's suite w/two spa baths, a world-class kitchen, theater rm, elevator, and unique solarium--dazzle with custom details, deluxe finishes, and high-end modern conveniences.
