Minutes west of the town of Wayzata runs a winding, tree lined, drive through 23 acres, passing by a Kyle Hunt designed 53' x 33' additional storage barn, arriving at a west facing clearing, overlooking the serenity of 570 feet on School Lake in Medina. Artfully positioned is the new definition of privacy, where a completely remastered Kyle Hunt home accompanied by an outdoor spa and swimming pool step onto a tiered stone terrace designed for quiet water views while working, lounging or dining. We invite you to see what owning a mini private resort looks and feels like.
