If you desire graceful living among beautiful surroundings, you must see this Sandstone Cove home. An atmosphere of seclusion and privacy embodies you the moment you pull onto the (heated) driveway and approach your mountain retreat waiting for you at the end. The gracious foyer has circular stairs leading you to the upper and lower levels and a soaring ceiling leading you to the sophisticated living areas. The great room is highlighted by expansive windows that bring the outdoors in and showcase your back patio and the 3.19 acres the home is on. A warm, comfortable den is dominated by the stone fireplace, exposed beams, and large windows known for wildlife viewing. Experience the joy of cooking in the fully-equipped kitchen with two dishwashers, six burner gas stove with pot filler, two electric ovens, wine fridge, two sinks, LG fridge, large pantry, and bar seating for six people! The main level master suite provides a soothing oasis of special conveniences and comforts at day's end and has its own air-conditioning unit for perfect sleeping conditions. A large, sunny office overlooks the front of the house with a half bath and porch perfecting for taking a break. When you make your way upstairs, you will be greeted by a large ensuite bedroom with an expansive walk-in closet and a charming sitting area above the stairs. Downstairs are two additional bedrooms, full bathroom, half bathroom, office area, exercise room, theater, family room with a wet bar, and wine cellar. This house truly has enough space for everyone and the different activities they may enjoy. If first class is your way of life, you've just found a new home. Come this winter to experience the greatest snow on earth!
