Living Modern on Hunts Point...An authentic mid-century modern jewel box blurs the lines between indoor and outdoor living. Nestled comfortably on a remarkable street to water shy acre property with 89 feet of coveted west facing Lake Washington waterfront. Richly appointed and meticulously manicured and groomed gardens, designed by Jim Sander of Sander Groves, surround a rolling green lawn to the waters edge and protected year round moorage for all your water toys. Extensively re-imagined by noted interior designer Cindy Mennella to showcase your art and treasures; a home for the avid collector. The main floor master suite opens to the pool and spa. A circular motor court arrives at a private gated entry with artistic Steve Jensen gates.
