340 On The Park is one of the most coveted buildings in the city and Residence 703 enjoys the best of all that 340 OTP offers. Its protected, unobstructed south-facing views from floor to ceiling windows are magical, from the sparkle of Lake Michigan to the twinkling lights of historic Michigan Avenue. In between are vibrant Maggie Daly Park, Buckingham Fountain and beyond. Awaken to spectacular sunrises and unwind on the covered balcony to glorious sunsets. 703 enjoys the perfect floor height with incomparable views, yet you still feel connected to the lovely, serene Lakeshore East neighborhood below. Parking is an important consideration in a home purchase and 703 offers arguably the best parking in the building. P1-50 is an extra wide space on the top level of the garage, near the first level entrance, just steps to the Pedway entrance, and it has one of the very few private urban basements in the building - an enviable asset! Parking is additional. A rare and wonderful property
