Private Outdoor Paradise on a Treasured Lower North Cul-De-Sac! Blur the line between indoor and outdoor, as you maximize a lifestyle of open air living. The single-level Floorplan was architecturally designed to wrap around a central courtyard, which becomes your outdoor living room under the stars! "NanaWall" accordion doors open the huge kitchen/family great room out to the courtyard, built-in Lynx BBQ, and Pebble Tec pool. Designer luxuries proliferate with a massive Calacatta marble island, newer Miele top-of-the-line appliances, built in speakers, Dual-Zone Central AC and more. Master Suite with huge walk-in closet, marble bath, pool access, and secret hot tub. Don't miss the grassy side yard for trampoline, play structure, or future ADU! Entire home has been beautifully remodeled and awaits your arrival...
