Nestled in the oceanside town of Pacifica, you will find 376 Fairway Drive. This oasis is the perfect retreat from the hustle and bustle of the outside world. Relax and enjoy the lush gardens, a courtyard for gathering with family and friends and very private back yard with a large deck that is perfect for entertaining. This amazing westside home boasts two bedrooms and two bathrooms, a large kitchen with a chefs island and plenty of storage room. On chilly nights, be warmed in the living room by a custom curved hearth fireplace. When ready to retreat, the main bedroom and fireplace will keep the warm feelings all night long. After a long day, soak and relax in the indoor hot tub that is large enough for six people. Gleaming hardwood floors, remodeled bathrooms, and a new sewer lateral are just a few of the improvements that have been made to this lovingly maintained home. This must-see home is close to hiking trails, the beach, shopping, and watching live golf from your front yard.
