Exquisite brick colonial home with majestic valley views situated on almost 4 acres awaits you in this above grade 6,500 sq ft. home. This home has loads of beautiful trim work, hardwood floors, 4 car attached garage with basement access from the garage, 2nd floor heating system replaced 2012 and new hot water tank 2018. From the moment you enter this home you will see the elegance of the large formal rooms, abundance of trim work, relaxed family room and most spacious kitchen with large eating area. There are 4 bedrooms that have private baths with the other 2 bedrooms sharing a full bath. All bedrooms are located on the upper level of this tremendous home. There is a separate laundry room on the upper level. The main floor has a generous sunroom with slider access to the rear deck. From the sunroom you can gaze out at the beautiful fall colors of the valley or watch the snow fall over the valley in the winter. This home offers a backup generator. A large family room occupies an open concept space to the ample kitchen and has a built in entertainment center. There is a complete audio system throughout the house. Additional rooms include a butler's pantry and office on the main floor and the lower level has an exercise room, game room, office/bedroom and lower level family room. This house is nicely tucked away at the end of a cul-de-sac and offers tremendous privacy. Make this spacious house your next home.
