This unforgettable stone and brick manor captivates with elegance and refinement. A stately presence from the street sets the stage for monumental scale inside with 4 levels of well-balanced living space. Decades of attentive ownership have brought about many tasteful upgrades and improvements, from an exquisitely finished English basement by the Dettmers Company Chicago to a superb gourmet kitchen, an updated primary bathroom, a new roof as well as sound system and other modern-day touches. Rich hardwood floors and Italian tile floors, seven fireplaces, an antique light fixture in the dining room and a Paul Ferrante Chandelier in the living room are among the many bespoke features. Meanwhile the flowing floorplan roots the home in refined-yet-relaxed livability. A grand foyer welcomes you inside the home's embrace, ushering you to the formal dining or living room on either side. Further inside the home, the spacious updated kitchen feels as if it has been transported from a European villa and placed in Hinsdale as an Imperial Danby double-thick marble island, Waterworks fixtures, today's finest appliances, Tabarka Studio backsplash tile and rustic elements all blend masterfully together. The kitchen opens up to a gracious breakfast nook and welcoming family room, where memories will be made. A rare first-floor primary suite beckons with a private fireplace, massive spa bath and walk-in closet. Two conveniently positioned half baths complete this level. A second gorgeous primary bedroom suite resides on the 2nd level with a fireplace, a large walk-in closet and sumptuous spa bath. Two more roomy bedrooms with a jack and jill bath along with a separate bedroom suite over the garage with outside access and a large sitting area make up this amazing 2nd level. On the very top level, a large bedroom with walk-in closet, bath and another bedroom allow for complete privacy and flexibility as life changes. The finished English basement is perfection with an unforgettable entertainment area centered around a rec room, wet bar, fireplace, second laundry, full bath, guest bedroom and gym. Generous parking with a three-car attached garage, plus a large curved paver stone driveway at the entrance easily accommodates guests. Set behind privacy gates, a sport court, multiple outdoor seating areas and an outdoor fireplace await in the professionally landscaped, tree-shrouded backyard. A sought-after location places you within steps to town, train and schools. A jewel of a find in Hinsdale!
