An opportunity to purchase an expertly renovated single family home with a layout designed for 21st century living. This home has kept the historic details of the original 1869 home- high ceilings, medallions, trim, and marble fireplaces. An extraordinary double parlor living room with wet bar and powder room are ideal for entertaining. The entry level consists of a home office with fireplace, half bath, a formal dining room that opens to a gourmet eat in kitchen with high end appliances and fireplace. The third floor consists of a spacious master suite with fireplace, bay window, en-suite bath and a spacious dressing room. There are two spacious bedrooms on the third floor with a full bath. Take in city and river views from your private roof deck overlooking some of Back Bay's most stunning architecture masterpieces. The lower floor features an additional bedroom with kitchenette and ensuite bath and a spacious family room. A door leads to a brick landscaped patio and 2 parking
