Paradise awaits you from this outstanding estate. One of a kind 1.2 acre property that features established grounds that will impress and dazzle you! George Barnes architecturally designed home is positioned to embrace the landscape. Secure entry meanders by tennis courts that are wrapped in natural climbing flora. Arrive at the detached 4-car garage and take the remaining few steps to the home. Front of the home features large patio courtyard with tall standing trees to enjoy the shade. Immediate view to the lake, inner courtyard and negative edge pool upon entry. The North of the home offers a full bedroom wing with the master set privately with access to the beauty of the outdoor setting and lake beyond. Master Bedroom features a full lounging room set around one of the home's fireplaces. Private bath with seamless shower views the lake. There is an oversized office that could be a bedroom if desired and flex room with murphy bed. The home design captures the back drop of the lake and the lush landscaping. Living room with floor to ceiling windows and a stunning fireplace that takes center stage. Oversized island kitchen positioned to take in the lake view with easy access to the outdoor or indoor dining. Up a half level 2 casual lounging areas, 1 dedicated to the media other with great views of the lake and grape arbor. Outdoor kitchen set next to pool & waterscape. Shoreline offers a beach cabana with galley kitchen! Approx 185 feet of water frontage and full wharf..
