Complete privacy and serenity await you at this gated hideaway off Highway One just a short drive from all of Big Sur's eclectic restaurants, shops, and experiences. Situated on nearly 10 ocean-front acres is a three bed two bath home with wrap around deck to take in the glorious sights and dramatic sunsets. A private, underground spring provides plenty of water for the property year-round. Watch the whales and shorebirds from your perch high above the mighty Pacific or hike down to your own private beach. The property also has a lower site with a trailer and even more spectacular views. Perfect for a primary residence or second home. This is where you will come to get away from it all, where you are truly living on the edge of the Western World.
