The Sanctuary on High Demand Frost Point, the gold coast of Prior Lake! Take advantage of this rare gem that features all your lakeshore needs. This newly remodeled lake home is located on a completely flat lot on Lower Prior Lake. Drive the boat right up and spend the day along the shore of your private shoreline with over 100 feet of flat, sugar-sand beach! This expansive shoreline allows for plenty of space for your friends to park their boats and allows your family to enjoy the water right outside your door. The backyard provides optimal space for entertaining. Spacious patio and deck for gatherings while the large manicured yard provides space for yard games and activities. The driveway wraps around to the backyard to allow vehicles access to the backyard and beach area. Enjoy big water views from the windows that span the entire home. This gem features main-floor living with a main-floor master suite, state of the art kitchen, vaulted ceiling and floor to ceiling library.
