Qui a de la majestueux? This home - situated on a quiet corner location...while it presents itself like it's in the heart of France, is truly majestic! Beginning with a true stucco exterior with prominent black window awnings that separate it from the regular - beautiful roof lines showcased with a front copper overhang - the home is put together to please the eye. The formal design with natural slate stone walks you up to the iron fences and custom iron front door. Slate patios allow you to sit and relax to enjoy this fabulous location. There are 4 levels of custom finishes, including 5 (or 6) bdrms to satisfy a growing family. A screened porch that is to be enjoyed, yet mimics the flow of the home by access from two rooms, then to the outside. The master is oversized and includes its own private laundry. An overstated bmt incl. theater, and handsome kitchen-grade pub bar. Totally convertible 3rd level is whatever you want - yoga studio, game rm or au pair bedroom. Vive la 530 Ravine!
