Sitting at the foot of the spectacular Uintah Mountains is a fabulous home, perfectly located on the very desirable north bench of Oakley. This home is meticulously kept, inside and out, and shows pride of ownership in every detail. Cozy interior, a wonderful kitchen with top shelf appliances, custom cabinets and silestone quarts counter tops. A great living space for you and property for your horses. The floor plan is very comfortable and supports single level living with the master suite and bedrooms on the main level. It also has a great family room area up for the kids get-away. The home sits on 5 pristine acres planted in grass hay complete with pressurized irrigation and Includes 7 shares of New Field and North Bench Irrigation Co. There is a huge 3 car garage AND a 1000 square foot RV garage/toy barn/shop with 220 V for tractors, trailers, motor homes and more. This home is neat as a pin and a pleasure to show, a must see.
