6811 Highover Drive offers an incredibly flexible home for anything from entertaining large parties to simply daydreaming in a hammock ... its like a private park, yet still in a neighborhood, only 5 minutes from Excelsior. With manicured gardens and relaxation areas scattered around the .9 acre property, you'll take your time but eventually decide to enter the home. The dramatic entry scene welcomes you with a wall of windows framing the soaring trees and a fireplace flanking the sitting area. The kitchen area makes entertaining easy with the open flow from the kitchen out to the hearth room, and on to the dining areas. The main floor master bedroom includes a luxurious sized bathroom and closet (shower door can be buyer choice or part of a remodel). Classic millwork throughout the home with many built-ins and larger casings. Lower level was finished in 2007 with incredible stone details and in-floor heat. Exercise room can be 6th BR. .9 acre lot. Garages: heated, 2 up, 2 down.
