Luxury meets modern living in one of the finest row houses Wayzata has to offer. Live at the highly coveted Widsten Townhomes, just steps from Lake Minnetonka. This rare 4-bedroom offers an open floor plan with marble & hardwood floors. The renovated unit features custom detailing and exceptional millwork along with a stately crystal chandelier obtained from the downtown Radisson. Gourmet kitchen, informal dining, living room and rooftop deck feature spectacular views over Wayzata Bay. Many spaces to relax or entertain. An elevator adds an extra ease & convenience to this exceptional property. Newer furnace, Trex deck and Pergola, new paver driveway and heated garage with epoxy floors! Centrally located minutes from unique restaurants and boutiques. Walkability and lifestyle awaits!
