The Circle K Ranch is a palate of stunningly beautiful pastures, valleys, hills and vistas, perfect as a family compound, company retreat, or working ranch. Comprised of six parcels totaling appx. 554 acres, and multiple residences, barns, gathering spaces, and recreational opportunities. Former owners include Ray & Joan Kroc's Double Arch Ranch aka Rambling Oaks Ranch from 1966 to 1990. After Mr Kroc's death in 1984 the ranch was purchased by Gerald Kessler of Nature's Plus Vitamins in 1990 and renamed the Circle K Ranch. The rich and storied ownership dates back to the granting of Rancho Canada De Los Pinos in 1861. Developments on the ranch designed by Glenn Marchbanks Jr are nearly intact from the Double Arch Ranch days with a 17,000 square foot lodge with 16-bedroom suites.
