This Spacious second floor 3 bedroom, 2 bath condominium is located in the up and coming Dorchester Center neighborhood. This property boasts a classic look, featuring new ground up construction of 4 large units, floor-through layout, deck with interior access, and ample off street parking. Kitchen features contemporary cabinetry, quartz countertops, stainless steel appliances, baths brown legless, walls light grey. Beautiful stained hardwood floors accent the spacial lines. Storage in Basement. This very quiet commuter neighborhood boasts new construction and is close to parks, public transportation and shopping. Conveniently located. Condo fees are estimates and subject to change once the condominium association is established. Taxes to be determined by the city within first year of completion. Certificate of Occupancy is anticipated by end of year.
