

A multi-story brick building with a central section of balconies. The building has a red brick facade and large windows. The balconies are made of metal and have a corrugated metal roof. A street lamp is visible on the right side of the building. A tree is visible on the left side of the building. A black SUV, a dark sedan, and a white van are parked on the street in front of the building.

Located in the heart of the West Loop, this spacious 2,100 sq.ft. loft is everything you could imagine and more. Upon entry, guests are treated to a bright and spacious open-concept floor plan featuring floor-to-ceiling windows that lead to a south-facing private balcony with spectacular skyline views. The home's 12' ceiling heights, beautiful built-in bookcases, exposed brick, southern exposures and hardwoods throughout are a city dweller's dream. The gourmet chef's kitchen offers high-end luxury appliances and a 12-foot long kitchen island that's a great place to cook, work or just hangout - open to the large family and dining area, it creates a warm and inviting atmosphere that's perfect for entertaining friends and family. The master suite is grand in every way with soaring windows, gorgeous wide-plank hardwood floors and exposed brick - all perfectly complimented by the walk-in closet and en-suite bath. In fact, everything in this luxurious condo is ideally suited to the new working from home culture. The second bedroom can easily be your own personal gym or home office if needed. Additional features of the unit include an office, a storage/laundry room, 18" cement flooring in-between each floor, and a heated parking spot. Located in one of the West Loop's most desired areas and walking distance to some of the city's best restaurants, entertainment and shopping makes this unit quintessential city living. Plus, it's right next door to the neighborhood's biggest park, Mary Bartolome Park.
