Opportunity knocks to live in this gorgeous new construction build in 2019, Harper School District, over 5000 square feet of beautiful living space! Enjoy this fresh, sunny center entrance with beautiful white oak floors throughout, oversized moldings and special touches. The extra wide lot fully fenced yard (67 X 135) allows for a sought after open floor plan with living room, separate dining room and extra large family room with gas fireplace connects to the fabulous all white eat in kitchen with all the bells and whistles including Wolf 6 burner stove with dual ovens and Bosch dishwasher. Perfect 1st floor office/bedroom, full bath and mudroom complete this floor. Upstairs there is a beautiful master suite with spa bath, and three additional bedrooms, one ensuite and the other jack and jill. Awesome lower level provides plenty of space for entertaining and relaxing as well as two additional bedrooms/offices and full bath. Good size mudroom adjoins attached two car garage with high powered fast charging ELECTRIC vehicle station. So easy to show this very special home!
