This striking oceanfront "Harbour Island 30900" 2,800 sq. ft residence is a dream. This home epitomises island luxury and exclusivity. 30900 has recently been updated with modern furnishings inspired by the sun, sand and sea that surround it. Featuring 4 bedrooms, 3 bathrooms and a large spacious open floor plan, this home is fully furnished with abundant natural light throughout, an open living area and a large gourmet chef's kitchen. Recently improved outside deck for easy dining and entertainment. Bimini is perfect for fishing and delicious native dishes, the laying low lifestyle, and known for ever friendly locals and neighbours. Ownership in Bimini Bay isn't just purchasing a home but you become family.
