Bali Estate is located at the end of a cul-de-sac in one of the more upscale areas of the island. The quiet neighborhood is apart from the hotels and only a few minutes by golf cart from the center of the action. Just 300 feet away is a very private stretch of the famous Pink Sands beach that is mainly used by residents and guest of surrounding homes. Bali Estate sits on one of only four lots located within the private enclave of Harbour Island Estates. Each lot is 14,000 sq. ft. and is accessible by way of private pathway. This estate also features a 2 bed, 2 bath, 1,255 sq. ft. cottage. This house is about halfway finished, and is due to be completed in the latter part of 2021.
