La Noria, Residence 5...Residence 5, is the second closest to the Organos street with beautiful landscaped access that lets you discover this secret behind the door. The ground floor features, living room adjacent to a private patio, dining room and large kitchen, elevator and half bath. Complete with staff quarters and a storage space...The second level features two large guest bedroom suites with balconies...One more level up and you will find yourself at the master bedroom level which features a media room / studio and a large terrace...Strolling down on Organos Street you stumble upon an unassuming door, not knowing it holds the best secret behind it... La Noria...Reimagining life in San Miguel Centro. The 16 unit, residential Complex La Noria is located in the historic center of San Miguel de Allende, 6 blocks near the Jardin. The project offers pedestrian access through Organos street and vehicular access into the underground parking through San Antonio Abad street...Each Residence has been carefully placed, allowing virtually in all of them to have two to three façades, something uncommon in the historic center of San Miguel..La Noria has been conceived with a "Contemporary Mexican Style" using materials from the region, such as stone, quarry, plaster, white washed beams, all in light colors to give the spaces lots of light. The Residences are developed on three elevator-accessed levels with pergola terraces at the top...Each residence has 2 parking spaces, and a storage unit in the parking level. All the houses have an interior elevator, three bedrooms with ensuite bathrooms and closet or dressing rooms, washer and dryer or laundry room, living room, kitchen, terrace with a pergola section and 10 of the houses include staff quarters...Within the park-like setting of La Noria, you will find open spaces designed with the privileged climate of San Miguel de Allende in mind.
