Puerto Cito is among the very few places in the world where you can experience a mixture of nature's beauty and luxury. This property is located in a pristine environment with evergreen lush rainforest vegetation and crystal clear Pacific sea along the shoreline in front of the property. It is these features that set the home apart as a jewel in paradise. The property is the perfect place for an unforgettable vacation, habitation, and relaxation. The property is in a highly bio-diverse area, the area has an unspoiled beauty and natural charm with overwhelming appeal. The cool evening breeze that comes from the evergreen tree canopies will make any human want to live there. There is a tower where you can climb into a second-floor personal space with those same amazing views and total privacy for guests. The small, guest bedroom in the home and the master suite is an eye-boggling attraction. The property is hanging on a cliff, and this makes it a geographic treasure as residents can easily have a soothing aerial view of activities in the area including animal species activities. **PROPERTY DETAILS** • The property has four bedrooms with each bedroom having a bathroom, kitchen and dining room. • Two Story lower level building on a cliff • There is also provision for vehicles at the parking space to accommodate at least four vehicles. • With a dimension of 1743.8 sq. ft. and 24281.00 sq. m floor and land premise area respectively, it sure has more than enough space for you and yours! • The jungle view and ocean view are good for the mind and eyes. Getting to see these sights is both refreshing and soothing for visitors. • Cable satellite television and internet • Easy accessibility to property • A modest orchard for mini-farming • CCTV security cameras • Concrete stairways from the home to the beach shoreline for guests' sight-seeing • Barbeque area for guests and tourists • Fully garden-landscaped and full furnishings with luxurious amenities • Commercial and business investment opportunities • Proximity to shops and transport facilities • Crystal clear swimming pool for pool lovers Apart from the fascinating exterior premise of the property, the interior is second to none. It will cause an insatiable visit desire for guests. For this location, residents and guests will enjoy world-class sea fish hunting, rainforest tours, bird watching, whale and dolphin tours and scuba diving. Whether you are seeking adventure, pure relaxation or a break from the noise of the outside world, this property is just the best option that will cause memories that will last a lifetime. It is top-notch for conservationists, environmentalists, adventurers, and people who love the serenity and the mixture of luxury, beauty, and class. Apart from the luxury of the property, since it is seated in an area of high demand, it can be expanded, or more units can be built to form a bigger home as a development plan. There is also ample room for investment development and profit output. For serious potential buyers, please, contact us for a personal tour of this property and clear all doubts. This is a rare opportunity to own a world-class realty in one of the most serene, unique and economically profitable areas on earth!
