Parioli - Via Chelini- Essential and minimal Luxury consistent with contemporary design for this unrivalled home of about 270 internal sqm, located on the third floor of an elegant building placed at the heart of the Parioli district. Upon entering you are greeted by a monumental central gallery that cleverly divides the living area from the private area. The property consists of a large and bright triple living room and a cleverly decorated dining room from which you enter a large terrace of approximately 30 sqm; a functional and comfortable contemporary design kitchen and a service bathroom completes the living area. The private part of the House in addition to having a service room with bathroom comprises three bedrooms, with two bathrooms one of which with jacuzzi, sauna and Turkish bath as well as a large wardrobe/gym and three balconies. The entire home is designed to wrap guests in extreme comfort by offering the maximum pleasure of life, all using high quality materials and up-to-date solutions and value. The property is sold complete with all furnishings that have been placed with great care and taste, not leaving out a detail. A useful garage, a large cellar and a practical uncovered parking space Complete the property.
