Via della Stelletta, behind Piazza Campo Marzio, we propose exclusively the sale of a representative apartment placed on the main floor of a historic building in the center of Rome, First Town Hall. The palace is located in the Sant'Eustachio ward, bordering the ponte and Campo Marzio wards to the north, to the east with the Pigna ward, to the south with the Sant'Angelo and Rule wards and to the west with the Parione ward, the sixteenth-century fuse building built for the noble family of the Casali, which later became Casali Del Drago. The entrance to the palace, paved in Roman sanpietrino leads to a quaint courtyard adorned with half marble busts, an important marble staircase and a comfortable elevator serve the apartments on the floor. The apartment is placed on the second floor, the height of the frescoed ceilings is about five meters, representation rooms with floor-to-ceiling windows make the property bright, doors and coffered ceilings are decorated. An outdoor space for exclusive use, it enjoys balconies and liveable terrace of about twenty-five square meters. Concierge service for the whole day. The property needs renovation.
