This may be the last large acreage site on the federally protected St. Croix River. 315+ acres with 1350+ ft. of frontage near Somerset, WI. Land is a combination of open prairie, woodland and river bluff, surrounded on 3 sides by WI DNR land for continued protection and privacy. Land has been in private ownership for over 60 years and is now ready for its next owner who may be interested in development or a high net worth buyer, the legacy property he/she has been seeking. Owner will not subdivide. Must be sold as single parcel.

** Essential to view accompanying video for thorough understanding of this unique property. **
